The Peak Standard of Tire Value-More-Mileage Adjustment

Mutually satisfactory dealing between buyer and seller must be founded on established, or agreed standards.

Otherwise, the sale of a tire is like a man in a court where whim and prejudice may any instant be the law.

The sale of a Goodrich tire automatically certifies the tire's definite future service in the Goodrich More-Mileage Adjustment, 6,000 Miles for Fabric Tires\_8,000 Miles for Silvertown Cords.

This Goodrich Certification measures out to the buyer the least a Goodrich tire with reasonable usage will render him.

The performance of Goodrich Tires-as Goodrich users will enthusiastically bear witness-has been regularly in excess of the Certified Mileage.
